CANNON SMOKED

SALOON

Welcome to Cannon Smoked Saloon, an “Old West” experience that you won’t forget. We have taken the 30-year tradition of great tasting, Lake of the Ozarks Bar-B-Q, and made it better.

Spending so much time on our family’s farms in Kansas, we wanted to bring that look and feel to the Lake of the Ozarks. We spent a couple years traveling all over the Midwest looking for just the right pieces to create the “Old West” feel in our restaurant. We found some old barns in Otterville and Lebanon, Missouri and even more back on the family farm in Westmoreland, Kansas. We found several pieces in Arkansas, Arizona and Texas, but the biggest piece in the Restaurant was found in Atlanta, Georgia. Our back bar was built in Buenos Aires Argentina in 1905 and then got tucked away in a warehouse. We were really excited to find a spot for this old Pharmacy Cabinet. Our goal was to make you feel like you were in the late 1800’s fending off cattle rustlers and kicking back in the old town saloon. We hope you enjoy what we found.

Be sure to check out the Stables next door. Our event center is full of antiques, our own little saloon and entertainment stage. We are still working to make the Stables into its own little “Old West” town complete with a chuck wagon and horses. If you’re looking for a great place to treat 3 or 4 hundred of your closest friends or even 40 of them, check out the Stables.

As you pass through the saloon doors, with the peanut shells crunching under your feet, make sure you get your shoes shined or relax on our own cow couch. Sit for a spell in the buggy seat or pull up a saddle at the bar and enjoy the “Old West” at Cannon Smoked Saloon.
